More than 400 guests — including judges, attorneys and other community leaders — attended the 20th anniversary celebration of Miami-based law firm Meland Budwick, P. A. The invite-only reception was held April 18 at the outdoor plaza at Southeast Financial Center. Guests enjoyed cocktails, hors d'oeuvres and tours of MRB's new 14,000-square-foot offices on the 32nd floor. The firm was founded in 1993 by long-time Miami Beach residents Mark Meland and Peter Russin. Name partner Michael Budwick joined the firm in 2002.
